ELEVATE

TO LIFT UP OR IMPROVE.

LANGUAGE AND LIFESTYLE CLUB – MARCH 5

The Language and Lifestyle Club organised a range of activities for different grades. Grade 6 participated in a Spelling Bee and Story Writing, while Grade 7 engaged in a Spelling Bee and Poem Writing. Grades 8 and 9 took part in Prepared Speech and Article Writing. Though many students were nervous and initially struggled, they gradually managed to cope and performed confidently, making the event a meaningful learning experience.

ASSEMBLY – WOMEN’S DAY – MARCH 9

Students of grades 8 and 9 conducted a special assembly to celebrate International Women’s Day, highlighting the achievements and contributions of women in society. Students presented speeches, poems, and short performances that conveyed powerful messages on equality and empowerment. The assembly left a lasting impression on the audience with its meaningful message. The programme was well-organised, thought-provoking, encouraging, and thoughtfully presented by the students.

By Grades 8 and 9 – in-charge teachers – Ms. Kavitha and Ms. Sushma

"You have worked hard throughout the year. These exams are not here to scare you—they are your opportunity to show what you have learned. Don't worry about perfection; focus on doing your best. Stay calm, manage your time well, and remember—every mark counts. I believe in each one of you."

Ms. K.Nagavalli (Math Teacher)

Believe in your ability and stay focused. Revise regularly and manage your time well. Keep a calm mind and think clearly. With hard work, confidence, and determination, you can achieve success in your board exams.

Ms. Niruthya (Tamil Teacher)

"You have come so far with dedication and hard work—now is the time to believe in yourself.

Every effort you've made is building your success, even if you don't see it yet.

Stay calm, focused, and give each exam your best shot. Remember, this is just one step in your journey, not the final destination.

Be confident, stay positive, and let your determination lead the way to success."

Ms. Sherina (French Teacher)

Dear grade 10 and 11, believe in your preparation, stay calm, and trust your thinking. Every effort counts. Write with clarity and confidence; Focus on the progress, not just the pressure. Every page turned is a step closer to your goals.

Ms. Sushma Rao (Biology Teacher)

Believe in your hard work and stay focused. Every effort you make today shapes your success tomorrow. Stay calm, stay confident, and give your best—your future is bright and full of possibilities.

Ms. Kitty Christina (English Teacher)

Stay disciplined, stay positive, and finish strong. Success is waiting! You are capable of achieving far more than you imagine.

Ms. Sudha (Chemistry Teacher)

Your exams are not just a test of memory, but a celebration of your hard work and dedication. Every page you read, and every problem you solve, brings you closer to your dreams. Stay confident, stay calm, and trust yourself. You are stronger than your fears and brighter than your doubts. "Do your best today, and success will follow tomorrow."

Believe • Focus • Achieve Keep Smiling & Keep Going

Mr. BNR (Physics Teacher)

As Abraham Maslow emphasized self-actualization, remember—this is your moment to realize your fullest potential through dedication and perseverance. Great achievements begin with quiet determination. Trust yourself, stay consistent, and remember—you are capable of more than you think. Every page you studied is a step closer to your goal.

All the very best. Keep shining

Ms. Madhunisha (Psychology Teacher)

Believe in your preparation and stay consistent. Every small effort adds up to success. Stay calm, focused, and confident. You are capable of achieving excellent results. Your hard work will shine.

Ms. Divya Shree (Physics Teacher)

CAMBRIDGE ATTRIBUTE – RESPONSIBLE

Students demonstrated responsibility by preparing sincerely, managing time, and supporting peers. They overcame nervousness, took ownership of tasks, and performed confidently. During the assembly, they organised and presented thoughtfully, showing awareness, commitment, and a strong sense of responsibility towards learning and society.

PRINCIPAL'S MESSAGE

As our Cambridge learners step into their board examinations, we extend our very best wishes for a confident and successful journey ahead. This is a wonderful opportunity to demonstrate the depth of your understanding, critical thinking, and the skills you have nurtured throughout your learning. Approach each paper with clarity, stay calm, and trust in your preparation. Maintain a balanced routine, revise thoughtfully, and take care of your well-being. Believe in your abilities and give your very best—your dedication will surely reflect in your performance. Wishing you every success in your Cambridge examinations and a truly rewarding outcome.

Mr. Nagarajan

Principal – Cambridge International School

TEACHER'S MESSAGE

Curiosity is the foundation of meaningful learning. When learners question, explore, and seek answers, they develop deeper understanding, creativity, and confidence. Encouraging curiosity helps learners move beyond memorizing facts, inspiring them to think independently, solve problems, and discover knowledge that lasts

Ms. Deepika

Math Teacher
