We start the new academic year **2025-26**, with a lot of enthusiasm and zeal to carry out new responsibilities. The Principal, Coordinator, along with all the teachers of Spring days International School, are proud of a brand new start and together we will, hand in hand, strive to the best of our abilities to nurture and cater to all the needs of our beloved students

FROM THE PRINCIPAL'S DESK

Learning at our school is a joyful journey-one that we proudly celebrate through every achievement, every question asked, and every spark of curiosity ignited. Our commitment to nurturing excellence and creating a space where each learner can thrive continues to shape a dynamic and inclusive learning environment. We believe in empowering every student by recognizing their unique abilities and helping them grow with confidence and purpose.

I would also like to take this moment to congratulate our students and teachers for their wonderful initiative in bringing out this newsletter. It is a reflection of their creativity, dedication, and collaborative spirit. Let this be a new step forward in sharing knowledge, celebrating our journey, and inspiring one another. Wishing you all continued success as we move ahead with passion and purpose.

Teacher's Note

A NEW BEGINNING

This **Monday, June 2**, is a “new beginning” for this school and ourselves because we’re back to school from a long summer break. We started the day with a general assembly led by our principal, who introduced the new teachers to us. We all welcomed them, as well as the new students. The principal instructed us and told us about all the places in our school and, also whom we need to go to when we need a specific thing.

In class, every teacher gave us a brief introduction to their subjects, which got us prepared for our new journey. In a few classes, we also got a chance to meet all the new students. We got to know their names and had a small chat with them. Overall, the first day got us really excited for the rest of the year.

A DAY OF ACCOMPLISHMENT

This wasn’t an ordinary day - it was a special one. The efforts put in by the 10th-grade toppers had finally paid off. That morning’s assembly was dedicated to the felicitation of the 10th-grade students so they would feel appreciated. This celebration was truly a proud moment for the students and their parents.

Later, we had our first physical education class, which included a fitness check and a march-past. This practice was helpful, as it meant we wouldn’t have to train under the scorching sun right before the annual sports meet. The teacher also guided us to dive deeper into the topic that had been introduced on the first day. Overall, it was a fun and proud day for our school.

A NERVE-WRACKING DAY

What an exciting and nerve-wracking day for all of us. It marked the final and most awaited round of the leadership selections-the interview. After weeks of preparation and campaigning, this was the moment where every nominee had to prove their potential. Each aspiring leader was asked a variety of challenging and thought-provoking questions by the panel. While it may have seemed intimidating at first, the experience actually helped us sharpen our thinking, boost our confidence, and improve our ability to respond under pressure. By the end of the session, every nominee walked out with a sense of relief and accomplishment, carrying the hope that their hard work and dedication would help them earn the leadership role they had been working towards.

INTRODUCTION TO CLUBS

On Thursday, our principal and teachers introduced us to the different clubs in our school. They also explained the purpose of each club:

Diet and Wellness

Mrs. Kavitha and Mrs. Lakshmi spoke about health (including a health audit) and the importance of eating healthy foods.

Language and Lifestyle

Mrs. Kitty and Mrs. Sherina introduced us to different languages like English, Tamil, French, and Hindi.

Eco and Sustainability

Mrs. Sudha and Mrs. Sushma explained about protecting the environment, maintaining cleanliness, and how to achieve zero wastage.

Creative Hive

Ms. Mirunalini and Ms. Deepika talked about using technology to create videos, audio clips, and digital posters.

SPEAKING UP, STANDING OUT

This year's leadership campaign was an exciting event that brought out the best in our students. Pupils from different classes stepped up to give energetic and heartfelt speeches as they aimed for positions like Student Leader, Deputy Leader, Sports Captain, and Secretary Leader. Each speech was filled with not just promises, but also fun ideas, creative plans, and a genuine desire to make school life better for everyone. The whole atmosphere was buzzing with cheers, laughter, and encouragement as students supported their friends and classmates. It wasn't just about winning-it was about showing leadership, confidence, and the courage to speak up for what matters.

POSTERS, PROMISES, AND PASSION

The excitement didn't stop at the speeches-our school was filled with colourful posters, catchy slogans, and creative designs everywhere you looked. Candidates and their friends worked together to make eye-catching posters that showed off their ideas and promises. Some went class to class, speaking to students, sharing their plans, and asking for support with bright smiles and friendly handshakes. It was amazing to see the teamwork, creativity, and school spirit as everyone joined in the fun of campaigning. Finally, the much-awaited voting session arrived. Students lined up to cast their votes, feeling proud to have a say in choosing their leaders. The energy was electric, with everyone eager to find out who would lead them next.

SCHOOL LEADER ANNOUNCEMENT

After days of anticipation, the moment we were all waiting for finally arrived - the official announcement of **our new school leaders**. The entire school gathered, hearts pounding and breaths held, as the principal took the stage to reveal the results. It wasn't just a list of names - it was the outcome of weeks of dedication, from nominations to campaigns, from voting to interviews. Every nominee had poured their heart into this journey.

One by one, the positions were declared. First, the name of the Student Secretary echoed through the room - **Lohith MG**. Then came the announcement for Sports Leader - **Samantha Noel**. As the excitement built, the position of Deputy Leader was awarded to **Jude Mohan**, followed by the grand reveal of our Student Council Leader- **Harshita James**

Cheers erupted across the hall as each name was called. It was a proud moment for the entire school, seeing the new team of leaders step forward, ready to represent us for the academic year **2025-2026**. Their journey has just begun, and the whole school stands behind them.

INVESTITURE CEREMONY

Today's Investiture Ceremony marks a proud and meaningful occasion as we entrust leadership to the young torchbearers of our school. This moment is not just about receiving a badge—it symbolizes a pledge to uphold responsibility with pride, humility, and dedication. As **HARSHITA, JUDE, SAMANTHA, & LOHITH** take their solemn oaths, they begin a journey that will not only shape their own growth but also uplift the spirit and culture of our school. We believe in their ability to lead by example, to support their peers, and to stay true to the core values we cherish. Here's to a year filled with teamwork, service, and inspiring leadership. We are truly proud of each one of you.

Teacher's Note

THE POWER OF A POSITIVE MIND IN SCHOOL

Positivity has the power to shape a school into a place of joy, growth, and success. When students stay positive, they approach learning with excitement and confidence. They bounce back from failure and believe in improvement. Positive teachers create a warm, encouraging space where every child feels valued. Instead of focusing on problems, they focus on solutions. Kind words, supportive attitudes, and a cheerful environment help everyone feel safe and motivated. A school filled with positivity becomes more than just a place to study—it becomes a place where minds grow, friendships flourish, and every day brings new hope.
